DOCKET NO. 95-720-C - ORDER NO. 95-1455

IN RE: Application of BellSouth Telecommuni-)	ORDER
cations, Inc. DBA Southern Bell Telephone)	MODIFYING
& Telegraph Company for Approval of an)	PRE-FILING
Alternative Regulation Plan.)	DEADLINES
)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the South Carolina Cable Television Association (SCCTA) to modify the date on which it must prefile testimony of its witness Don Wood in the case at bar. The Order establishing pre-filing deadlines indicates that the direct testimony of Intervenor must be filed on or before August 21, 1995. SCCTA has requested that such date be delayed until on or before Friday, August 25, 1995 for witness Don Wood. SCCTA states that it has contacted the attorney for Southern Bell who has consented to the delay requested by SCCTA with a proviso that Southern Bell be granted an extension until on or before Friday, September 8, 1995 in which to file rebuttal testimony in response to Wood's prefiled direct testimony. SCCTA would then be permitted until Wednesday, September 13, 1995 in which to file any surrebuttal testimony from witness Wood. Southern Bell has agreed to this proposal, according to SCCTA.

The Commission has examined this matter and believes that SCCTA has stated good cause to modify the pre-filing deadlines as stated above for witness Don Wood and these deadlines are hereby granted. The Commission cautions the parties that they shall serve all parties with copies of testimony presented in this case.

This Order shall remain in full force and effect until further Order of the Commission.
